Thank you for playing ExamBank's Noggin Hoggin' Challenge. Unfortunately, you did not provide a correct answer for yesterday's question and have therefore been eliminated from the competition. The answer we were looking for is available by [visiting the Noggin Hoggin' website](#) and clicking on "Past Questions" at the top of the page.

To login to the Noggin Hoggin' Challenge, just visit www.exambank.com/challenge and click on the "Login" button at the bottom of the page. The information you need to login is:

Email: obrake3@gmail.com

Password: darkrai3

Don't forget - if you do not login each day and successfully answer each question, you will receive a 10 minute penalty for each wrong answer when it comes time to answer the last question. And only those who answer the final question the fastest are eligible for prizes. Good luck!
